IN THE SPECIFICATION

On page 4, line 13, please change "manoeuvring" to
--maneuvering--.

RECEIVED
JUL 23 97
GROUP 2600

REMARKS

Applicants herewith respectfully submit a response to the
Office Action mailed 03/26/97.

A clerical error in the specification has been amended.

Below, the invention and the prior art references cited
in the Office Action are briefly discussed. Then arguments are
given to demonstrate patentability of the invention as
specified in the pending claims.

INVENTION

The invention relates to a data processing system
comprising a display and cursor control means connected to the
